MEMORANDUM FOR: Acting Director of Central Intelligence

VIA: Director, Intelligence Community Staff  
Deputy Director, Intelligence Community Staff  
Director, CCISCMS

FROM:   
Chief, Unauthorized Disclosure Analysis Center

SUBJECT: NBC Program on Intelligence Gathering  
NBC-TV - 19 & 20 August 1986

The NBC Television newscast segments on Soviet and US intelligence gathering activities, aired on 19 and 20 August 1986, did not appear to contain any classified information that has not been published previously. Both CIA and NSA sources were queried on this matter and concurred that there were no first-time disclosures in the programs.
